

Everyday

Everyday is a series created to help your teen develop faith skills that will connect them with God and grow their faith. We want your high schooler to see that growing their faith isn't about checking off a to-do list or getting everything right. Instead, it's about finding ways to connect with God and putting those things into practice in their everyday life. When they do, they'll find themselves developing a faith that will guide and grow alongside them as they mature.

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

As your teen starts their day, look for one way to connect with them this morning, like a note you stick in their backpack, a text you send, or a special, unexpected treat.

Their Time

Share with your teen something God is doing in your life. Let them see a glimpse of your own faith journey.

Meal Time

At a meal this week, have everyone answer this question: “What are some ways you connect with God?”

Bed Time

Pray that you and your teen will find ways to connect with God. Ask God to help you make it an essential part of your everyday routines.
